Notice of Past Violation

Re: Disposing of solid waste at an unpermitted solid waste facility

Dear Mr. Gross:

The New Hampshire Department of Environmental Services, Waste Management Division ("DES") has documented a violation of the New Hampshire Solid Waste Rules relative to the failure to dispose of solid waste at a permitted solid waste facility. On or about April 26, 2003, Bradford Excavating & Equipment Moving, Inc. ("Bradford Excavating") demolished a mobile home at 200 Center Road, Bradford, NH, and then buried the debris on that property. This Notice of Past Violation is to inform Bradford Excavating that the referenced violation is on file at DES. No further action related to the violation documented in this Notice of Past Violation is required.

This notice is being sent to inform Bradford Excavating of the violation to help Bradford Excavating prevent similar violations in the future. Enclosed is a summary that lists the past violation. The corrective action to be taken in the future consists of Bradford Excavating disposing of solid waste at a permitted solid waste facility.

DES recognizes that a great majority of the regulated community wants to prevent pollution and to comply with environmental laws.

A current copy of the New Hampshire Solid Waste Rules can be obtained from DES's website at <http://www.des.state.nh.us/rules/swrules.pdf>, or by contacting the Public Center at (603) 271-2975. A current copy of the New Hampshire Solid Waste Statute can be obtained from the State of New Hampshire's website at <http://gencourt.state.nh.us/rsa/html/indexes/149-M.html>.

If you have any questions regarding this matter, please feel free to contact Carl Woodbury at (603) 271-3899.

Sincerely,

COPY
